Category: Oppressed rscj Post war Poland
Person or project name: Mary Lou Guilford (Tippy)
Start Date: Thu, 10/11/1962
Add an end date:

Description: Tippy ran a very active Mission Club at the Academy of the Sacred Heart in St Charles, MO in the middle 1950s and had weekly popcorn sales to raise money for the poor. One project was to send 5 pounds of coffee every week to our sisters in Poland because they could use it to buy the things that they could not afford such as shoes and coats. She was given different addresses to use and there was one guard who helped. The coffee was wrapped up so that it could not be smelled or it would be stolen. She stopped when the guard was changed.
